Risk & Policy Advisor

Ref: H201602092

Dear

Response to your request for official information

Thank you for your request of 23 May 2016 under the Official Information Act 1982 (the Act) for

“Can I have copies of all CARM reports (not including names, but including age and gender) and including all reports reporting death relating to the MMR vaccine since 2000?”

The information relating to this request is itemised below, with copies of documents attached.

Request	Response
<i>All CARM reports (not including names, but including age and gender) and including all reports reporting death relating to the MMR vaccine since 2000</i>	Attached is: <i>1. A report titled ‘MMR Vaccine’ prepared by the New Zealand Pharmacovigilance Centre that has details of all cases reported to CARM relating to MMR vaccine from 01 January 2000 to 31 March 2016</i>

I trust this information fulfils your request.

Yours sincerely

Acting Group Manager
Medsafe

Report Title: MMR Vaccine
Official Information Act Request

Prepared for: via Medsafe

Prepared by: New Zealand Pharmacovigilance Centre
14 August 2016

Specific Request: Details of all cases reported to CARM relating to MMR Vaccine
from 01 January 2000 to 31 March 2016

Summary

This document details all Adverse Events Following Immunisation (AEFIs) irrespective of causal association with MMR vaccine

Total Reports 2342 received by CARM in this period including non-valid reports

MMR Vaccine cases reported to CARM – 01 January 2000 to 31 March 2016

This listing includes all assessed Adverse Events Following Immunisation (AEFIs) for each case irrespective of causality.

Report No	Date	Gender	Age	Medicines/Vaccine	Reactions
043469	JAN2000	Female	16m	* MEASLES-MUMPS-RUBELLA VACCINE	URTICARIA FEVER IRRITABILITY
